DEAR MEMBERS OF ARF COMMUNITY

Message Of The CEO

It is with immense gratitude and hope that I reflect on the remarkable strides Apportion Relief Foundation (ARF) has made in supporting Pakistan's most vulnerable communities. In a country grappling with economic hardships, rapid population growth, and widening disparities, ARF remains steadfast in its mission to provide immediate relief while paving the way for long-term empowerment. From combating hunger through Project Dastarkhwan with free and subsidized meals to ensuring warmth through our Winter Clothing Drive, ARF has touched countless lives.

Our Project Education is providing underprivileged children with the resources they need to break the cycle of poverty, while Project Health continues to deliver essential medical aid and medications. Through General Welfare initiatives, we assist families with monthly rations, Eid gifts, and emergency needs, easing their financial burdens. As we look ahead to Ramadan 2025, we are committed to expanding our Sehr, Iftar, and Ration Distribution Programs, reaching more families who rely on us during this sacred time. We also aim to grow Project Women Empowerment and Shelter for Homeless and Orphans, fostering hope, dignity, and opportunity for those in need. None of this would be possible without the dedication of our incredible team and the unwavering generosity of our donors. Your contributions, whether time, resources, or support, fuel our mission to create a compassionate and empowered Pakistan. Together, let us continue this noble journey, transforming lives and building a brighter future.

DEAR MEMBERS OF ARF COMMUNITY

Message Of The Country Head

It is a matter of great pleasure and honour for me while associated with Apportion Relief foundation as its Country Head.

ARF started its Journey few years back with a team of committed, dedicated and sparkling friends, hands in hand with those lovely and lively patrons, who had been there to help and uplift the underprivileged society, minimize their dependency and to take care of basic necessities with an intention to introduce opportunity to make their lives better. The Mission of Apportion Relief Foundation had always been to create a world where the unprivileged and deprived segments of the society may easily avail their human rights, i.e. Education, Food, Clean water, Shelter and Immediate Medical Attention.

As we navigate through challenging times, I want to express my heartfelt gratitude for unwavering commitment to our mission. **Together, we are making a significant impact in the lives of those in need.**

ARF's work is vital in providing relief and support to the community's effected by crises. Each initiative we undertake is a testament to our shared belief in compassion, solidarity, and resilience. It is our teams' dedication that drives our success, ensuring that we can reach those who require our assistance the most. Let us continue to collaborate, innovate, and strive for a brighter future for all. Together, we can build a stronger community and create lasting change.

Thank you for being a part of this pivotal journey.
